Job Title: Data Analyst

Company: TechCorp Solutions

We are seeking a skilled Data Analyst to join our growing team. The ideal candidate will work with cross-functional teams to identify, analyze, and interpret trends in complex datasets.

Responsibilities:

- Analyze large datasets to derive actionable insights

- Create dashboards and reports using Tableau and Excel

- Collaborate with product and engineering teams

Requirements:

- Proficiency in Python and SQL

- Experience with data visualization tools like Tableau or Power BI

- Strong analytical and communication skills

- Bonus: Familiarity with cloud data platforms (AWS/GCP)

Location: Bangalore (Hybrid)
